Objective

Motivated and detail-oriented frontend developer (React.js) with a strong fundamental in HTML, CSS, and JavaScript. I am skilled in developing responsive and user-friendly web applications using modern technologies. I am eager to continue growing my expertise in React ecosystem and advance toward full-stack development.

Education

Fresh graduate, Electronics and Communication Engineering - Zagazig University. Sep 2020 – June 2025

Accumulative Grade: Very Good (79.8%)   **Specialization Grade:** Excellent (93.6%)

Graduation project: Integrated Smart Vehicle Management System (ISVMS)   **Grade:** Excellent

Courses

- **The Network Diploma covered the following topics:**   June - Oct 2024
  - Network fundamentals and concepts by IT Dose channel.
  - CCNA 200-301 by Eng: Ahmed Nabil channel.
